

QUALITY POLITICS

In order to establish the expectations and needs of its customers and assume the commitments of competitiveness that the new market trends require us.

The address of PROMOCOR, S.L. It is committed to establish, implement and maintain a Quality System that covers all areas of its activity.

This commitment leads us to establish a management strategy that is embodied in the following principles of our Quality Policy:

- We guide all the activities of the company to provide our customers with the products and services they require, meeting their expectations with flexibility.
- We guarantee the fulfillment of the requirements of the clients, the legal and regulatory ones that apply to us, as well as the respect to the environmental environment, continuously improving the efficiency of our Quality System, in order to achieve the maximum satisfaction of all the interested parties.
- The quality objectives that we set are realistic and ambitious in order to ensure compliance with this Quality Policy, reviewing it as often as necessary so that it adapts at all times to the reality of our company.
- The continuous improvement of our processes and products will be our permanent attitude through the integration of our employees, whose mission is to get PROMOCOR, S.L. be a reference in quality.
